EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 16 has been canceled.

The following is an examiner's statement of reasons for allowance: Welsh, Jr. (U.S. Patent 6,634,503) teaches a cover movable between open and closed positions with grooves and channels as claimed; however, there is neither a cut-out as claimed nor any reason to provide this cut-out. Further, this structure simply isn't adapted to retain the apparatus described. Butler et al. (U.S. Patent 2,800,221) discloses a storage case adapted to retain an apparatus as described in the present application; however, the structure of the case is significantly different from that claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary Hartmann whose telephone number is 703-305-4549. The examiner can normally be reached on Monday through Friday, 9am-6pm.
